“ *I am saddened to just learn of Donna's passing. I had the privilege of working with her for many years at Westwood Ob/GYN. I always remember her as a kind hearted woman always smiling and who truly loved her family. She was always so proud of her daughter's accomplishments. She introduced me to many family members and I developed a long relationship with them. I'm praying and sending hugs to all Donna's family. May she RIP 💔*

“ So very sorry for your loss Shelley, your Mom was such a wonderfully kind person.
I will remember her for many reasons but the one that stands out is when you were selected as the kindergarten student council rep. She was so concerned about you getting to the library after school, and finding the door to meet her after the mtg. She was waiting for you just outside the door following the mtg., the relief on her face when she saw your cute little self was priceless...a mother's love for sure!💕

Sending much love and many blessings your way, Lorrie Gall

“ As I sit here looking thru photos of you, I still can't believe you are gone. You were simple the best, always thinking of others. Beautiful inside and out! You could crack us up too! The plan was, you, Eileen and I were suppose to grow old together! I miss and love you Donna. Please watch over us and send us some signs from above.
