“ *Dear Family, I offer my deepest condolences for your loss. I'm sure that words could never ease the pain and heartache that you are suffering. May you be comforted by God's loving promise to be reunited together again in the future Paradise. God knows your pain and the many tears that you cry. (Acts 24:15) You're in my prayers. (Revelation 21:4, 5)*

“ I first met Donna was when she was 6 years old, I was coaching the "Blue team" for Deptford Girls Softball . Donna was an exceptional player. She was responsible for at least two triple plays, a line drive would be hit to her, she would tag the player who was caught off base and fire the ball to first base before the batter got there, she had an extraordinary feel for the game. Donna and Pauline became lifelong friends and she was always showing up for a birthday party ... Easter egg hunt ... New Years Day Parade in Philly at my Mother-in-law's house....or would just pop in to celebrate one of my grandchildren's birthday, she could really belt out a great rendition of "Happy Birthday". She was funny, she was troubled, she was always talking about her stupid decisions...she loved her kids, she loved life itself. She always had a big smile on her face, no matter what. I saw her last on June 18th,I got a big hug, I told her she needed to gain some weight....she laughed and said," ahh come on now, I just gained 12 pounds". I know she had grown to be a woman, but I want to remember that not so shy little girl who played softball for the "Blue team" later renamed the "Munchkins". Rest in peace Donna, stay safe in the angel's arms and know that you are home with God and no one can hurt you ever again.
