“ Dearest Family,
Our hearts break for you during this very difficult time in your lives. What we will always remember is that wonderfully infectious laugh of Doris and how her presence could just brighten up any room. We believe that Doris would want us all to keep on keepin' on and do it with a smile, a wink, and a boisterous chuckle. We love her and miss her already but it is comforting to know that she is entertaining Jesus and is likely tickling his funny bone!
Please call on us if you need ANYTHING! ALL OUR LOVE David, Tina, Nathan, & Gracelyn Stallard
