“ *My deepest sympathy to the family of Mrs. Ryder. She lived a few doors away from us and would come visit and have coffee with my mother Dorothy Shepherd.*

I remember any time someone had a party or barbecue she was so much fun to be around. She had a great sense of humor and provided a lot of laughter.

She would come visit my mother when she was ill and ask if there was anything she could do for us.

She was a kind, caring, wonderful woman who made everyone's life a little better for being your friend.

My thoughts and prayers are with you at this most difficult time.

“ I am so sad to hear this news. I grew up right down the street from Mrs. Ryder. My mom and her were good friends. She would come down and visit my mom when she was sick. I will always remember seeing her in working on her front lawn. So sorry for your loss, She was a lovely lady.
