“ *Your dad, a very special person, always pleasant even when not feeling well. When I saw him last, Nov. 2019, I visited him and his family, even though he wasn't up to company, he was his old self, so happy to see me. Will miss your dad, Frances, treasure his memory, as will I. May he rest in peace and in my prayers always. A gentleman always to be missed! Mom*

Thanks Mom, My Dad was very easy going and right up to the very end he never complained and he had a smile on his face.

“ *My memories of my uncle were he took me to baseball and football games to see the Phillies and the Eagles. I spent many holiday backyard barbecues at his home.*

“ Some of my happiest memories are times I spent with Uncle Earle & Aunt Clara. Uncle Earle taught me to ride a bike and tell time. He would give me a quarter to “help” him shine the apples that were going to be sold. He took me to my first baseball game at Connie Mack Stadium. And I loved hearing his beautiful voice singing all of his favorite Irish songs. The memories just keep flooding back. He liked everyone and always had that wonderful smile. For all of the hugs and happiness you gave me, I will always remember and love you.
