“ I am so sorry I missed her memorial service.....the celebration of her life on this planet! Yet, I am happy I was apart of her journey in life while she was here!

*My dear Edie was an amazing human being and a beautiful spirit! She enjoyed life to its fullest! She was funny, she was smart, she was sensitive and she was intuitive!*

*I know where she is now, she is happy and free! No more pain or suffering! If she was here in the flesh, she would say, don't cry for me.....I'm only in the next room!*

*I will miss her dearly as we spoke on the phone often! Though I may not her her voice anymore.....I do know she is still here in the Spirit! She once told me by speaking one's name after they crossed over you are keeping their Spirit alive!*

*So farewell my friend Edie, until speak again!*

*Blessings*

“ Edie was a kind, caring and considerate person. She loved life. I enjoyed our conversations, and she was very knowledgeable and had a lot of wisdom. I will miss my friend so much, but God missed her more. She is now relaxing, not stressing or worrying about anything. I know she is being a comfort and supportive to those in heaven - 'cause I know that's where she is. This photo is of her jumping for joy after I brought her a dinner plate consisting of lamb chops. She loved my lamb chops and I was only too happy to make them for her for her Birthday.

*Rest in Peace my good friend,*

“ *My good friend Edie was such a kind, caring and considerate person full of life. We shared a lot, had deep conversation and she had a lot of wisdom. I will miss her dearly, but I know the creator missed her more. This photo shows the last meal I made for her. She loved my lamb chops and jumped for joy when I brought it to her. Edie, may you forever rest in peace and spread your love and good spirit to those in heaven 'cause I know that's where you are!!*

*Luv,

“ So very sorry for your loss.  
*Edith was a great person, a true friend and a "busy" woman.  
She made life lighter and brighter for many people.  
I will always miss her and our shared October birthday's.  
Rest in peace, Edith. "May flights of angels sing thee to thy rest"*
