“ *Don, Donnie, Kathy, Diane, Philip and Family, Our thoughts and prayers are with all of you at this time. We all have so many wonderful memories of Edith. She had a strong love of family. Always smiling and laughing as she watched the kids play. Asking how they were and what was going on in their lives. Laughing at the stories and simple things kids do. Her love of children overflowed out of the family to the many children she taught baton and dance to over the years. Edith touched many people in many ways. I'm sure she is proud of her family for all they have done to help her fight this unbeatable disease. She was a very special sister and aunt to all of us and will be sadly missed by everyone.*

“ Please accept my heartfelt sympathies on your loss of Edith. She was a much-loved baton teacher to my sister Suzy and me when we lived in Woodbury. I can still remember some of those routines and the many times we marched in local parades. For Diane and the entire family, I hope you will find comfort in the happy memories you have of your beloved mother, wife, sister and grandmom. God bless your family.
