“ *I didn't know her as Edna, Nanny, mom or aunt...I knew her as "Fifi from the Trock" , not even sure where that came about, but have known her all of my life. She was an amazingly strong, independent, and "no non-sense" kind of woman. She will be sadly missed by her family and friends. She was truly an angel that watched over her family. To the family, I am deeply saddened by your loss! Please know that if you need anything I am here to listen. I love all of you guys...
