“ I can't believe it's been 17 years. 17 years without your hugs, your voice, your love. I honestly don't know how I made it this far without you.

“ To the family, May our Heavenly Father, who knows your pain, give you all the needed comfort and strength to continue each day until the fulfillment of his Kingdom promise that not only will death be no more, but that also we will be reunited in the near future with our dear loved ones on a paradise earth. (John 5:28,29; Luke 23:43; Isaiah 45:18). "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." - Rev.21:4. My sincere condolences.

“ I didnt know you..but your daughter harriet told me great things about you...you will be always bein our hearts

shannon selfridge - May 19, 2009 at 10:38 AM

JG

“ I am so very sorry to hear of your dear mother/grandmother's passing. I always enjoyed chatting with her at your family parties. She was a lot of fun, and a lovely lady. My heart goes out to all of you.

*I lost my beautiful mother two months ago, and my sweet mother-in-law two weeks ago. Heaven has three new angels. I know they are watching over their families and someday we will all be together.*

“ One night a woman had a dream. She dreamed she was walking along the beach with the LORD. Across the sky flashed scenes from her life. For each scene she noticed two sets of footprints in the sand: one belonging to her, and the other to the LORD. When the last scene of her life flashed before her she looked back at the footprints in the sand. She noticed that many times along the path of her life there was only one set of footprints. She also noticed that it happened at the very lowest and saddest times in her life. This really bothered her and she questioned the LORD about it: "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me." The LORD replied: "My child, my precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you." This world has lost an Extraordinary Woman, but I have no doubt that she will now bless the heavens with her presence! You will be forever loved and missed. I love You!
