“ When I was young until about 14yrs old. My dad used to wake me up at 3am and say let's go fishing. I'll never forget the last minute go. Whether a boat or a dock. How I had to calm mom down while dad was flying the plane. One of my fondest memories is with my dad. Watching sea turtles hatch and swim into the channel at Fortescue. My mom Joyce and my son Steven also were there to see that. A absolutely wonderful day. I could keep going. Cheers to my amazing father 💕💕
