“ I worked with Ed for some time delivering flowers, he was a good guy that helped many in Brigantine. Such an untimely passing is never easy but now Ed's the one being taken care of. My condolences to his family and friends.

“ Dear sweet Ed had such a tender heart. If it were not for him I think my house would fall into pieces because he was my handyman and church friend, too. Ed enjoyed my home cooked meals and he never, ever forgot grace before eating. Ed tirelessly helped people with transportation or bringing food to Sister Jean Webster's Food Kitchen. If there was something to be done, Ed was there, without question. My life was blessed in many ways because Ed crossed my path.

“ I'm sad and so sorry to Ed's family for their loss. Ed was such a thoughtful guy and always smiling. I was Ed's hairstylist and will miss Ed coming into the salon and our conversations. Ed would bring me flowers. Last Valentine's Day we saw each other in WA WA and when I went out to my car there was a rose in my door handle.... So sweet and I laughed because someone got 11 roses that day....Priscilla

“ Ed and I were good friends from our early teens through the mid 90's. I have fond memories of playing racquetball, skiing in the Poconos, fishing and just hanging out together in NJ. We lost touch after I moved to Northern Virginia. I am deeply saddened to hear about his passing.
