“ *Marilyn,*

I just found this and I know as you are approaching an anniversary ... well.

I remember when you and Ed first started seeing each other and I know from a far how much he loved you and how much happiness you gave him. Thank you for that.

Ed was very special and I know St. Pet let him in. He and use to joke about that.

I know your life has seen many chalanges and I will pray for your happiness ... we all know Ed has found peace. May you find yours.

God Bless.

“ *Sorry to hear about Eddie's passing and my thoughts and prayers go out to him and his family. We were in the same class at Pius and were both middle distance runners on the track team for a short time. We got along well since we were both quiet and loved the Yankees and Giants. Look out for us up there big guy!*

“ *To Ed's family: I was saddened with the news of Ed's passing upon return from vacation. My thoughts and prayers are with all of you through this difficult time. Having played soccer with Ed at SBU I remember him as a rock solid defender very difficult to get around for that I was grateful because I knew he had my back when I screwed up. As for everything else Eddie..... quiet, calm, dry wit & incredible character and integrity. Not having seen him in nearly 30 years I was as were many of us fortunate to have him in our presence once again last fal in NY to reminisce and laugh about times fondly remembered. It will be these times that I will always carry with me of Eddie G our ROCK.*

“ As a longtime co-worker and frequent travel companion of Ed, I learned there were several things he liked -- the Yankees, Back Yard Burgers, penny slot machines, Nathan's Hot Dogs. I also learned there was also one thing he truly loved -- his family. Never a day went by that he wasn't talking about Marilyn, his Mom, Brother, Sister, Kids, Neices, and Grandchildren. Even though I have never met most of you, I feel as though I know each of you through his stories. I will miss Ed's calming influence, moral compass, and especially his deadpan sense of humor. Godspeed old friend.

“ My deepest and most profound sympathies go out to Ed's family and friends on the premature loss of this exemplary gentleman. Ed and I went through ROTC together at Saint Bonaventure and endured many important moments together - some exciting, some challenging (the 100 feet rope drop at Ft. Bragg comes to mind!) In each of those moments I could count on Ed to be ultra-reliable, resolute and poised. His quiet demeanor enshrouded a man of great character with fierce determination, sound judgment and a joie de vivre that reflected great credit upon himself. Ed was a man who shared his joyful moments with others while bearing hardships without rancor or complaint. Our loss is heaven's gain. May Our Lord, with all of his angels and saints, accept Ed into his eternal rest while extending deep consolation and comfort to his mother, wife, children, siblings, relations and friends. Requiescat in pace.

“ All of us at FINRA----and particularly in Member Regulation----were very saddened by this loss. Without question, everyone who knew Ed and who came in contact with him quickly recognized what a quality gentleman he was. Ed was certainly one of our most upbeat and resilient colleagues----never missing a beat even in the face of the adversity of Hurricane Katrina. Our deepest sympathies and prayers are with Ed's family.

“ I did want to also add a true deep "Thank you" to Eddie from the entire Powell family for taking such good care of Beautiful Marilyn, the kids and grandkids all these years. God put them in very capable and loving hands. Thanks again, Dixie Prentice and Bob Powell

“ I was so upset to hear this news. As the sister of Marilyn's first husband Ed always made me feel so at home in his house and listened to my chattering about my brother. Someone else would not have been so understanding and it was greatly appreciated. He was also a wonderful man to my mom and to his wife, children and grandchildren. He will be greatly missed.

“ To all of Eddie's family and friends: words alone will not suffice to express our sympathy to each of you. Over the past few days, each of Eddie's teammates from Bonas has expressed sadness and profound sense of loss, but have been comforted by the honor of taking the field with Eddie, considering him our loyal, hardworking, and inspiring teammate, and most of all for the opportunity to see Eddie last September.

Thanks and Godspeed Eddie-a job well done. God bless you. The next reunion we will be raising a glass in your honor.

“ To the family of Ed Godlewski

I am truly saddened by Eddie's passing this past Monday and my heart and prayers go out to you. I met Eddie at St. Bonaventure and roomed with him for 3 years in the dorms. During that time at SBU I found him to be a loyal, honest, hard working, and enjoyable gentleman to be with. I have many truly pleasant memories of the times we spent together. After we both graduated, we were able to still occasionally keep in touch and were both in Rochester last September for a SBU Soccer Reunion. It was wonderful to see him again and he will be truly missed by me and all of the other SBU Soccer Alumni. Eddie was a good man and I am grateful that our paths crossed and we were able to share some great times together. God bless to you.

“ My deepest sympathies to Marilyn and the entire Godlewski family on the passing of Eddie. I played goalie on Eddie "G's" St. Bonaventure Soccer team so Eddie and I had a unique bond. I called him the "bionic man" because of his strength and endurance...I din't think he ever really got beat in the 3 years that I saw him play. I saw him last September at our St Bonaventure 28 year reunion and he was the same old Eddie....calm, cool, quiet and strong. I'm glad I got to see him one last time. I will miss him! God Bless Eddie "G"

“ I echo what my FINRA colleagues have said about Ed. His steady, calm demeanor and sense of humor made him a pleasure to work with during my 6+ years in the New Orleans office. In the mornings, he always made me smile when he would often say, "It's a great day for regulation." My thoughts and prayers are with your family during this difficult time.

“ My heartfelt sympathy to Ed's family the Godlewski's. Ed was the best friend a fellow player could ever ask for on the St.Bonaventure University soccer team. Supportive, empathetic and a great model of 'never give up' energy and team work. I was lucky to be his teammate for three soccer seasons at Bona's. When I visit Bonaventure next week the first thing I will do is go to the soccer field shed a tear and a prayer for my fellow teammate Eddie 'G'.The memories of Eddie G' are untouched, and I thank you Ed for touching my life. Till we meet again soon, your old soccer buddy from Bona's, Jeff Vagell #8

“ My deepest sympathies to Marilyn and all of Ed's family and friends. Ed and I were hired at the same time and went through our initial training together. His ability to stay calm and focused no matter what was going on in his life is what I will remember and admire the most. I am very grateful for having known him.

“ Marilyn, I am deeply saddened by your loss. Ed was a really great person and a pleasure to work with for almost 20 yrs. We both lost everything in Hurricane Katrina and talked alot throughout our recovery. I know that Ed was at the happiest time in his life with you, his kids and grandchildren. He is very missed at the office. My thoughts and prayers are with you and Ed's family at this difficult time.

“ I am deeply sorry for your loss. While we were in Orlando, Ed spoke frequently of his family, especially Marilyn and his grandchildren. He had a wonderful trip to Disney with her and was looking forward to future vacations, even though he was being stubborn about Paris! Ed (or Father Eddie as I called him!) had a great sense of humor and a very kind heart. He is already missed at work. You remain in my thoughts and prayers. Love, Kerri

“ His dry sense of humor, calmness, and his love for the Yankees is how I will remember Ed. I will always remember the time Ed and I attended a Yankees game some years ago and on the way back to the hotel, we got stuck underground in the subway for about an hour. As I became frustrated, Ed remained calm and collected.

“ I will always remember Ed for his dry sense of humor. He was always a steadying influence on everyone, even when things weren't going so well. He beat his leukemia and was a pretty good softball player at the same time! I know that he loved his family, especially the grandchildren whom he spoke of frequently. Sylvia and I offer our sincere condolences to Marilyn and his entire family during this time of mourning. Our thoughts and prayers are with you all. Let the celebration of Ed's life begin.

“ Indeed, Ed was one of the good ones. I got to know both Ed and Marilyn during the the Diaspora after Hurricane Katrina. For Odette and I, our time in a Memphis hotel wasn't as bad because we had those two. Ed's passing makes me reflect on my own finite existence, but what will remember is the way that he lived. He was a true survivor - beating cancer, rebuilding after losing his house in the hurricane and all the while maintaining a great attitude. I should be so strong. To all of Ed's family I offer my sincerest condolences and want you to know that I share your loss. Stay strong, Adam.
