“ To the Harvey Family. I am very sorry for your loss. I refered to Eddie as Uncle Eddie for as long as I can remeber. With him you could never judge a book by it's cover. The man inside the cover was loyal to the people he cared about. Life leads us all in many directions, we must follow the path and make the best of it. God bless.

“ Dear Mr. & Mrs. Harvey & Family: I am very sad to hear about Eddie. I have known him for such a long time from my Dad(Nick Miller) and growing up when I was young and I have gotten to know him even more these past 7 or 8 years. You gotta love him! He was always the life at any gathering and would do anything for you. Our children always enjoyed being around him and had alot of fun with him riding the quads or just being near him. They will miss him greatly. Even my dog loved him! My dog would always hop on his lap when he was over ..and stayed there! Those who knew him saw the warm hearted person that he was. Always so happy and cheerful. We are going to miss his funny and interesting stories that only he could tell. No matter how many times he told them...they were still funny! I am sure he is in a better place now but will be greatly missed here. With Deepest Sympathy, Ginny Miller, Lee, Heaven, Angel, & Nick
