“ *Ed was a dear friend and neighbor of ours. We even had him attend our wedding back in May. We would always talk about our patios at the apartments, flowers, our new puppy, family, friends, and everyday aches & pains. He was truly a beautiful person and will be greatly missed. Our condolences to the family, and we are sorry we weren't able to attend, as we only got word of this today.*

“ Ed and I worked together @ Danellie. He was the friendliest and nicest man. He always made a point to say "hello" or "good morning" and would stop by in between clients to chat. I am truly saddened by his passing. My sympathies to his siblings and family. He will be missed by all who knew him.

“ Working with Ed was a pleasure. He was kind, always had a compliment for you and was willing to listen. One year he bought me a special coconut cake for my birthday. I will carry fond memories of Ed and to his family, I share your grief. May God be with you during this difficult time.

“ I met Ed less than a year ago, but I knew he was a warm hearted person as soon as he spoke. He had such a good insight and understanding of people. I will miss him tremendously. I was once told by my clergyman that God only takes the worthy to celebrate with him in heaven at the holidays, well Ed was certainly worthy. He was a very special man. My deepest, heartfelt sympathy to his family, I am thinking of you. God Bless. Sharon Watson

“ I have had the honor of working with Ed over the past two years. He was a gentleman. He always had a smile and a good word to say about everyone. When I was at work I felt like I was with my second family and Ed was a part of that family. I will miss him. I know that he is at peace with our Heavenly Father. My deepest condolences to all of his family and friends.
