“ *I am truly sorry for your loss. Ed will be missed and he will never be forgotten. For the short time that I got to know him, he was a caring guy who put everyone first, loved his family more than anything . I will truly miss him as a friend, a brother firefighter and as a caring public official. We shared the thoughts of not being so political correct at times but always put people first. He may be gone, but will never be forgotten.*

“ Ed and Robert Leopardi are my childhood friends since we were about five years old. We went to Washington School together, we hung out together at Chambersburg Comuunity Center and my Dad's fast food restaurant (JuJu's Triangle). As we became adults, I would bump into Eddie here and there and he was the same kid I grew up with (a contagious smile, kind and always a gentleman). I will continue to pray for your family ????? With my deepest Sympathy, Tammi Tuccillo-Gallagher

“ Renee', my condolences to you and family. Ed was always there for me while working, always eager to help, lend a smile and joke to brighten my day. I retired in 2005 but remember like it was yesterday that I joked with Ed or heard his laugh. He will live on in our hearts and minds forever, a good man, a good officer, a Brother in Blue. God hold you and the family tightly and give you the strength to carry on. Retired Detective Richard T. Osvai (Oz)

“ *Det Leopardi and I didn't cross paths often but he was a great man that always seemed to have a smile for some and smart words for others and still smiled afterwards, but he kept it genuine. He will be truly missed. I pray God keeps your family close in your time of bereavement and comforts your every fear and concern. From our family to yours our hearts are with you. GOD BLESS.*
