“ Many years ago I had the opportunity to become a friend. (through golf). He traveled to Myrtle Beach with the group. I got the to know him very well through the Copper Open. I guess that he will be playing his favorite sport in heaven. May he rest in peace and keep his "head down" when he swings.

“ Eddie.....or as I knew him, EO, and he knew me as AY, not sure how the initial thing started out, but we went with it. I met Eddie in the Navy, same helicopter squadron, and from the day I met him, it seemed like we were best friends. His dry sense of humor kept me in stitches, I never saw a frown on his face, he always had that goofy Cheshire cat smile, like he had just been caught with his hand in the cookie jar. When in port, we used to frequent a bar called the Purple Onion, no particular reason, other than he was, let's say, thrifty!!! When we were over seas, it would be the same thing, somehow he could always find a bar that had the cheapest prices. I kept in touch with him over the years, we had planned to go to our helicopter reunion this September, in fact, had talked to him early this summer and said he felt good and was playing golf. I wish I could of had 1 more phone call with him. I will miss you, my friend, rest in peace.

“ *Ed was a great neighbor and friend, I will always remember him walking around his yard smoking a cigar and just saying things that would make me laugh.
