“ My sincerest condolences to the Thorp family. Ed Thorp was a very positive, guiding influence on me as a young man at UPS. Like good teachers, good managers never truly know the full extent of their mentoring, especially on young people. The world was a better place, more fun, more productive and more challenging because of Ed's leadership and people skills. RIP.

“ To The Thorpe Family, my sincere sorry at Ed's passing. He was my Feeder Manager in Lawnside and guided me into management at UPS. I still have a personal letter he sent to my home thanking me for changing a tire for two women broke down on Delaware Ave late one night. He was always a character to be around and made my early years in management interesting to say the least. I last saw him at his retirement dinner at the VFW in Deptford. I'm sad to hear of his passing but glad he had a good amount of years to enjoy his retirement. Mike Campanell
