"Jerry" and Catherine "Kay" Hoban. Sister of Marianne Harris (Joseph), Daniel Hoban (Santina) and Michael Hoban (Brenda). Daughter-in-law of Harriett E. Eileen was a 1981 graduate of West Catholic Girls High School and represented her class as Valedictorian. She continued her studies at Saint Joseph's University graduating in 1985. Eileen loved every aspect of her life. She expressed an appreciation for enjoying each and every moment as it was happening. Eileen made the children of the family a priority and took delight in their milestones whether it be birthdays, drama club shows, recitals and student council election celebrations. Eileen purchased a little piece of the island where she continued to share good times with family and friends. Eileen had a passion for adventure and travel. She would go with family and many times her friends. She left her footprint on 5 of the 7 Continents travelling to the South Pacific, Europe, the Caribbean and Venezuela just to name a few. Eileen embraced her work environment mentoring those who needed her assistance. The family was comforted by their testimonials over the past few days.

“ *To Eileen's entire family, Please know how very heavy my heart is. I met Eileen at her niece Julia's Kindergarten birthday party along with her very close and loving family. Since that day I have felt like I've known your family forever. Eileen fought with such strength and dignity, and I never heard her say a negative word...always positive and happy. I will miss her and her beautiful smile. Rest in peace dear one...You are all in our thoughts and prayers. Love, Cathi, Donna and Zachary Warwick*

“ *Eileen & I worked on the TSSC Program for Parsons; even though we worked on opposite coasts I am so grateful that we finally meet a few years back at a procurement conference in DC. She has a amazing personality and was lots of fun to be around. I wish we could've spent more time together. I will miss her as she is truly one of kind.*

“ Our company has worked with Eileen for a couple years now. Her and I shared conversations about my family and hers. The one I remember the most was about how much she loved her daughter and her family. She will be sincerely missed by my husband and I.

“ Dear Creelman and Hoban families, Your wife, mother, sister, aunt will be missed and it will take time to get past the grief. I wish you all peace, joy, and contentment as soon as possible. I had forgotten that Eileen and I were both southwest Philly girls as well as West Catholic and St. Joe's graduates. These connections and the joy I have in teaching Paige are a comfort to me. It is incredible to think of all the people that each one of us touches. Take care.

“ Dear Andy, Paige, and Family, Prayers are with you during this difficult time. Eileen was so kind, caring, and loved by all. A fan to all children she always would call after seeing one of my son's shows saying how great he did. I would always tell him "I heard from your #1 fan today". With deepest sympathy.

“ In 1982 I met my American sister at College. Eileen opened her arms and guided me as I learned the American culture. Her generous spirit introduced me to her family that welcomed me with open hearts.

Our trips and times together were always full of laughter. Miss America and you will always be a part of me and my family.

May God Bless you and give you strength thru this difficult time.

Love you,

“ Dear family of Eileen Creelman,
I would like to send my sincerest condolences on the passing away of Eileen. It was a pleasure to work with Eileen. I can remember the times when she would organized her wonderful lunch-in meetings and other times I would have to go down to the office to wrap up my work at the end of the day and get into conversations with her for sometimes hours, just talking about life in general. She was a special person. I will always miss her.
My prayers go out to Eileen's Family.

“ I'm truly sorry for your loss. I was a classmate of Eileen's at West Catholic and we were on the debate team together and in clubs together. She was always a sweet and caring person. I remember that she was also known for perfect attendance:) I have a wonderful photo we had taken at Senior Week in Wildwood at one of those old-timey photo-shops. We are both dressed as "tavern girls". What a great friend she was and always willing to have a little fun! My thoughts are with you at this hard time.

“ I want to convey my condolences to Andy, Paige and Hoban families. Eileen was a good friend and coworker at Amtrak. Although I haven't seen Eileen for awhile, my prayers have been with her daily. She comforted me when my husband's mother who lived with me was going thru illness at the same time and we kept each other "sane" at the time.
My prayers are with Eileen's family at this time and always.

We had many conversations talking about our families and laughing together about how crazy life can be. Everyone knew that if you got her on the phone that there would be lots of laughs and it might be a long conversation She will always be a part of the Parsons family and I will truly miss her but I am very thankful for the memories.
