“ *Uncle Norman, Aunt Eleanor will be sadly missed. Our thoughts and prayers are with you and her daughter Eleanor and family at this sad time. Since the first day she came into the family she fit right in, she was a very special lady. I admire the way you have taken such good care of her the past few years, always by her side. (Now she will be looking over you) Remember the good times you shared. How lucky it was you found each other and were able to share so many special years together. We will always picture the two of you so elegant and graceful on the dance floor.*
