“ I haven't been on facebook much this came as such a surprise to me. I feel so bad its now 2023. But I was reading the posts, i had wondered why i had not heard anything from matt, he was friends with my husband Tony who passed away suddenly in nov 2019. I was thinking about Tony and i were moving into our first apartment off course matt helped us out. There was a little bar with pool tables and the 3 of us went in, matt and tony shot pool then asked me but i wasn't very good. So matt would wet the tip of his finger and put a spot on the table where to hit the ball, and it was so funny. Hey matt taught me how to shoot pool . He was a good friend. Now matt and tony and sadly about 1/2 a dozen of tonys friends died not long after him. Well they're all together now. I miss those days!!
