

## Elizabeth M. Graffius

March 2, 1970 - October 21, 2023

Elizabeth M. Graffius “Betsy” on October 21, 2023 of Deptford. Age 53. Beloved daughter of Patricia Graffius (nee Stebbins) and the late Robert A. Graffius. Loving companion of Terence “Ted” Connell of Deptford. Cherished sister of Dan Graffius (Jessica) of Yardley, PA. Devoted aunt of Ryan Graffius of Yardley, PA, Lorelei Graffius of Yardley, PA, and Abby Graffius of Yardley, PA. She is also survived by aunts, uncles, and loving cousins.

Betsy was an amazing musician who studied at Interlochen Arts Academy in Michigan for High School, William Paterson College, and Rutgers University for Grad School. She played the French horn and was offered a substitute job at Radio City Music Hall in NYC. She was active, amusing, tons of fun, and an animal lover especially to her 2 cats. When she was younger, she enjoyed gymnastics and baton twirling where she performed on 5th Avenue in New York.

Betsy was extremely loving and took great care of her mother. She had a strong bond with her cousins. They would act out plays together and enjoy family BBQ’s and reunions. Ted and Betsy enjoyed traveling and taking advantage of local attractions such as parks, zoos, and farmers markets. She decorated their house for every holiday including the little ones.

“ So hard for me to comprehend Betsy passing. She had been a very close friend of mine for many years during our childhood. We became friends in 1st grade and remained close throughout elementary school/Byrd School. We started playing french horn together. She and I went our separate ways in high school as I had moved and she later attended Interlochen. We remained in touch throughout high school and early college years. We fell out of touch for many years since and connected again on facebook a few years ago. I am so terribly saddened by her passing wish I had seen her more recently. My heart goes out to her family and close friends. My thoughts are with you all. I am sending you hugs and hope your many good memories give some comfort for this significant loss.

“ I have many great memories of Betsy , but one I have been thinking about a lot this week is of the time I had my very first business trip for work. I wasn't used to professional type jobs and was really nervous about how to go about everything and afraid I wouldn't fit in at the NJ office. My training was in Rochelle Park, NJ, 4 miles from the house she grew up in but a 3-hour drive from where she was currently living. But Betsy drove the 3 hours to have dinner with me (Indian, of course!)and spent the night with me in my hotel ( we even shared the queen bed.) Then she drove back the next day for work. Her being with me made me feel safe and comforted. Betsy would do anything to help out the people she loved.
