“ *Ed and Joanie – We’re so very sorry for your loss. Aunt Betty was the kindest soul we have ever known. Her smile and her laugh were infectious. She was a great listener, gave the best hugs (and kisses), and was always there for you when you needed some advice or encouragement. We cherish all the holiday dinner memories we had with her and the McCalley family. She will be missed by all who knew her and loved her.*

*Mrs McCalley was a dynamic person who made growing up in Bell's Lake so special. She treated all of us like family feeding us, giving us advice and setting us straight when needed. She was there for me at my most difficult times. I am a better person because she was a part of my life.
My love to Ed and Joan at this most difficult time.*
