“ *Debbie, I was so sad to learn of your mother's passing. My sincere condolences to you and, your family, your brother Mark and his family. She so loved her family and was proud of you. I enjoyed my visits with her in her home bringing her Communion and sharing stories. She was a faithful and caring woman. I pray that God holds you all in His loving care and that the love of family and friends helps you through this time. Remember the promises that God gave her in Jesus Christ.*

“ *Our deepest sympathy to Debbie and family. Your Mother was so kind when I met her at St. John's and then later at St. Stephen's. I did not see her too much at St. Stephen's as she went to the later service. She had such a pleasant way about her and always had a smile. We are away right now, so will not be able to pay our respects to you all. But you will be in our thoughts as you go through this sad time.*

*Sincerely. Fran and Lou Stief*
