“ The end of a dynasty. So sorry that Uncle Ted has left us.

“ Uncle Ted was a kind soul with a wonderful sense of humor and always ready with a good story. He was the last of the 11 Collingswood Rogers, son of Katie and Will, the clan's only living Uncle. He would say that it was not much fun to be the last. The vision of him in his bowtie, singing at the Christmas party makes me smile everytime I conjure it up! "I hate War, and so does Eleanor..." I was privileged to know him, we all were.

“ I am so sorry to hear of your dad's passing. Please know that our thoughts and prayers are with you. I fondly remember him as a loving father to Lynn and Andrea. I loved how he led us in singing in Sunday School. I loved his songs! He was a great man who loved God with all his heart. I know you will miss him.
