“ *Thanksgiving has just passed and it is truly a bittersweet time for all of us who knew and miss El. We are so grateful to have known this dear, kind man, and miss him very much. Our family thought of El this Thanksgiving day and remembered fondly the trays of turkey cookies he baked for us each Thanksgiving. Yes, the cookies were good but what we really miss is the tradition and the friendship of our dear neighbor.*

We will remember El as a good friend and neighbor with whom we shared lots of talk, laughs, and stories. He was gifted at doing for others and making their lives happier and better. He gave much and asked for nothing in return.

He was a loving, giving, and caring man to his family, and a friendly, helpful, and thoughtful neighbor and friend. There is no better tribute to El than to treat those in our lives with these fine qualities.

We miss you, El Mary, Greg, and Justin

“ *I've known El since I was about 5 or 6 years old, I have so many fond memories of him, taking Bet, Dee and I to Atlantic City every year, before there were Casinos, and driving Dee and I places, he had a great sense of humor and made me laugh, and who could forget his baking! May you rest in peace El and join Bet in Heaven. blessings to you and your family you will be missed.*

“ *The world lost a great man on the morning of October 29, 2009, he was the best grandfather in ever way possible. He was always there for me as a best friend and even a father figure, I don't think you knew how much you and Bet did for the McCormick family. I take great comfort in knowing your in heaven with Bet, I love you El and I know you're the main reason of why I am where I am today.*

“ *My thoughts and prayers are with you all. I know El will be deeply missed. He was a such a good man and a loving grandfather and great-grandfather. I will always remember him as a handsome gentleman with a heart of gold, great hair and the best baker around. What a joyful reunion there will be when he joins Bett in heaven. God bless them both.*
