“ *Pop,
I miss you so much. I love you more than anything. Life will never be the same without my other half, but I know I will see you again someday. Today I went to Panera and used your number and when they called out your name it felt like we were there together again. Then, I went to Dunkin for mommom and still had them put a jelly donut in the box. You are the best poppop a girl could ask for. I just lived the best 20 years of my life because I had you as my bestfriend. I love you so very much.*
