“ *I was lucky to have the World's Greatest Mother-in-law. She always had a smile for everyone. She was always there to help me through the tough times and make me laugh during the fun times. She was the lady from softball, then the mother-in-law, and then my second mother. I couldn't have had a better person in my life. You will be missed and your memories cherished. Love you Em!*

“ *She was beautiful inside and out. I will always cherish my memories, like us dancing in her kitchen, playing jewelry dress up, and her methodical morning routine before work. She taught me many things about life (clean sheets are a must) but most importantly she taught and showed me nothing but unconditional love. For that, I am forever grateful. I'll wear my jewelry, put on my smile, and smell like a lady on Thursday. I'll even wear a slip under my dress (just like you taught me...demure but not shy) but my heart, my heart will be sad and missing you. You are so very special to me. All my love always* ❤️
