“ I am deeply sorry for your loss! I met her in hospice care and I admire how much strength she portrayed despite the pain she was in.

My interation with her, though brief, has changed me for the better and I will carry her memory with me always in my care of others.

“ Our heartfelt sypmathy goes out to your entire family. I'm sad that the years have gone by and we never took time to keep in touch. It seems like yesterday when Emma Lou and I bought our Barracuda's and thought we were so cute cruising around. You will be missed.

“ To the Fountain Family --- there are no words to express how sorry I am for your loss. My family and I haven't seen Emma Lou for years, but no one can ever take away the great memories we have from our younger days. Buster and I still talk about Janet, Emma Lou and myself driving to Fort Dix to pick up Buster + Lonnie and laughing until we cried. She's now an angel making all the other angels smile.
