“ *Was just reminiscing with JR about hanging with you guys at your mom's house, in your room full of trains! You and your trains will rumble through heaven, and we'll think of you every time we hear the thunder. Be at peace, Pete.*

“ *I will never forget meeting you and your family. I remember seeing you laughing and having a good time with your children. Such a wonderful father! My husband, Carlos, would enjoy sitting with you and reminiscing about Puerto Rico. R.I.P You will be missed.*

“ *My heart breaks that I cannot be in South Jersey today. Antonio, keep your head above water by playing sports. Gianna continue making those wonderful puppets, you have your dad's artistic talent. Nikolas, build with your Leggos whenever you feel sad. We will feel sadness for some time to come - but remember, we are all feeling it together. Aunt Sonia*

“ *As a child, I thought he was so cool for having a water bed. He really was an amazing uncle who was hilarious. I always knew he was special-smart, witty, funny, wild. His tenacity will live on through his children. I remember him taking us to south beach. And playing with me in the water. I always followed him around in Miami, he never stopped making me laugh. May he be at peace now. I miss you and love you uncle Piri.*

“ *I would like to extend my deepest sympathy to the family and friends at this very difficult time. May you all be comforted by God's promise of life in paradise without death. Revelation 21:4 assures that God will remove tears, death, mourning, outcry and pain. How we all look forward to that time.*

“ *My lasting remembrance of Enrique will derive from his boundless love of family, energy and desire to be the best possible father to Antonio, Gianna and NiKolas. I will always remember his expression of joy when life was good, and his sheer determination to make things right again when life was not so good. I will also always be able to see his radiant smile and hear his hearty laughter. And I will think of him often and always remember how nice it was when he called me Bro.' “ *Felix-Antonio, Gianna & Nikolas;
Hold tight to your memories for comfort. Lean on your friends and family for strength. And ALWAYS remember how much you are cared about.
Although no words can really help to ease the loss you bear, just know that you are very close to us in every thought and prayer. May you take comfort in knowing an angel is watching over you from heaven. So next time you are on a Roller Coaster. Hold your hands up High and Wave to Daddy! For I am certain he will be smiling down on you!! :)*
Love Always,
Aunt Stephanie & Gavin

“ *I read somewhere that heaven was specific to each and every one of us -- and that when you went there -- you went to live in the moment you were most happy. That said -- I think my brother Enrique's heaven must be the moment he held his children - for that was when I saw him the most happy.*

“ Please accept my condolences on a the loss of your dear loved one. Take comfort in knowing that our heavenly Creator will soon remove all pain, sorrow, and death forever! May this promise as recorded in Revelation 21:3,4 help you gain the strength and inner peace to cope with the days ahead. Philippians 4:13.

“ Antonio, my brother Enrique and I decided to go canoeing. After an easy trip we decided to take Gianna and Nikolas. We weren't so lucky the second time down the river. Our boats tipped over! I was ready to abandon the canoes, crawl up the bank and hitch-hike back to the house.
In one fell swoop by brother grabbed and kissed Gianna, soothed Nikolas and directed Antonio and me to guide boats, at an angle, back to the shore. We re-boarded and got home, shaken but safe. How could I have known that my city raised brother knew how to manage a river!

“ To Felix Antonio, Gianna Marie & Nikolas -A MESSAGE FROM HEAVEN – I am not so far from you. Just a little way beyond. Past the cares and past the pain. Far past my earthly bonds. When you feel you miss me most. As years go drifting by. Each memory will prove to you. That our love will never die. For memories are but a touch. From the Father’s gentle hand. To heal your pain and mend your hearts. To help you understand. That while I left you far too soon. I did not leave alone. For the father sent His angels To gently take me home. Take comfort when you think of me. Keep my love alive in your heart. And with the warmth of each memory We will never part.

Don't ever hesitate to call your Uncle Harold or Aunt Tracey as we will always be near! We love you so much!

RIP Enrique! We will miss you more than you'll ever know!

“ Once during his chemo therapy Enrique and I couldn't sit together because of the seating arrangements and the needs of other patients.

He made me laugh when he suggested he call me on his cell phone though I was just across the room.

I loved that he could find humor in the most trying situations.

“ *New Heavenly Home*
O Lord, life just isn't the same since my Son-in-law died; I will never forget how he stood by his children's side. I keep reminiscing about the times they shared, I keep thinking about how much he Truly cared. Lord, I'm doing all I can to try to stay strong, It feels as though a part of them is gone. Each time I think of him my grievances increase, O Lord, please share a word that will give my heart peace...

Love Always, Debbie

“ *Your Very Own Guardian Angel*
The loss of a father is a heavy burden to bear. He's a source of quiet strength That is so missed when he's not there. Take comfort he's in Heaven, And looking down at you. He'll be there through the coming years, Watching over and guiding you. He's your very own guardian angel, And he'll be with you to the end, When you meet again in Heaven, And your broken heart will finally mend.

“ *I am so sorry for us all.*
My brother Enrique found much joy in his children. He loved it when they played music together and was thrilled at their every accomplishment.
He lived his life at an accelerated pace to accomplish what he felt was important. May he now finally rest in peace. I will miss him profoundly.
