“ *Joyce,*
I'm just learned of your mom's passing and I want to tell you how sorry I am. She was a terrific lady. I remember her energy and love of life when we were kids. She was a great "leader" for the Girl Scouts as she showed us what a great mom she was, as well as setting a fine example for us all. She will be remembered fondly.
Love, JoAnn Keenan (Luzzi)

“ *I am so very sorry for your loss. I'll always remember our Girl Scout meetings and how rowdy we would get. We drove her crazy! But Tracey and I did that on a regular basis anyway!*
Our thoughts and prayers are with all of you at this sad time. Take care and God Bless!

“ Holly, Tim & Family: I regret not being able to give my condolences personally. I viewed the video tribute and it was beautiful. I especially liked the picture of her in the black evening dress - she looked very elegant. I know that you have many wonderful memories. I hope they will be a comfort to you now and will live in your heart in the days to come. God Bless, Jennifer Furey

“ Dear Musser Family, It's been a long time since I have been around, but I remember Mrs. Musser very well. I remember sleeping over and when Tracey and I would be up to no good, we would get "the look". Always funny, good at keeping us kids in line, being strict when necessary(most of the time with Tracey and I.... Tracey if you need anything call me(856420727) I am sorry I couldn't be there in person for you, but my thoughts and prayers are with you all. Love,
Tracy

“ To Joyce and all of your family,
We were so honored to know so many sides of your Mom (teacher, co-worker, friend, Mom, grandma). Out of all of the times we shared she always seemed to sparkle at the site of her children and grandchildren. Family was always a priority and it still reflects in how close you are as a family. Our hearts and love go out to you at this sad time.

Love, Tom, Lynn, Tara, David, Tracee and VP

“ To the Entire Musser Family: Our hearts go out to you at this time. We did not know Aunt Esther very well, but one thing that we do know is how much she loved each and everyone of you. The video tribute was beautiful and you can tell how much enjoyment she got out of life and spending time with her family. It will get easier, even though at this time it does not seem like it will. Try to laugh instead of cry, that is what Aunt Esther would want you to do. Keep the memory strong and if there is anything we can do, we are only a phone call away. Love, Ken, Karen, Sam, Connor and Trevor

“ Mrs. Musser was my Brownie Leader in Girl Scouts some 46 years ago. She was kind, caring and very loving. She was a leader I tried to be when I became a Girl Scout Leader and teacher. It was always a great time to be at the meeting with her. I know that what she taught me has been passed on to my daughter. Mrs. Musser was an exceptional person that will be missed. I was very fortunate to have her in my life. Thanks for letting her share her time with me. With sincere sympathy to her family. Donna

“ Sorry for your loss, I did not know Aunt Esther, I am just know trying to get to know my father's side of the family. I know how hard it is to loss a parent as I have lost both of mine; I will not say I know how you are feeling because I do not. If any of Aunt Esther's children need to talk to someone, an outside I felt was easier to talk to. Feel free to email me at my email address: peekandturtle@aol.com
