“ November 24, 2010 My thoughts and prayers are with you in your time of grief. May your memories bring you comfort. Gene was a loving husband, wonderful father and a great person. He is now with the love of his life, Pat, and is at peace. He will be missed dearly. ~ Peggy Rappleeye

“ My deepest sympathy to Gene's family and friends. He had told me about his illness some weeks before, but I was shocked to see it in the newspaper. I have only known Gene since his wife passed. Their crypt is next to my husband and we ran into each other occasionally when we were both visiting. He was a very nice, cordial person and I enjoyed the discussions we had there. He is with his beloved wife now and is happy and at peace. He is in my prayers. Marie Curran

“ I am so sorry that Gene is gone. It was a huge surprise to my family. I remember meeting him at my grandmother's funeral. I will be thinking of all of you. Your 2nd cousin, Andrea (Liz's sister Lillian's granddaughter)
