“ *We little knew that morning, that God would call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone. For part of us went with you, the day God called you home. You left us peaceful memories, your love is still our guide, And though we cannot see you, your always by our side. Our family chain has broken, and nothing seems the same. But as God calls us one by one, the chain will link again. I love you Mom, Your Daughter.*

“ *Dear Fran & Russ, so sorry for your loss. Your mom always treated Donna & I with love and respect. She had a terrific sense of humor, which you (Fran) inherited and maintain to this day. May you celebrate the good times shared with her, & may she forever rest in peace.*
