“ *Dear Charlene and family. My mother and I were talking recently and she has such fond memories of your mother. We actually have a photo of you and what must be your oldest brother visiting at our house. The photo is from the 70's so I'm sure you will love seeing it. When I come across the picture I will forward it to you. My mother said your mother was very kind to her. My mom was sad to of learned of your Mother's passing.*

*Sincerely,

“ *Charlene, You are the most amazing daughter a Mother could ever be so lucky to have. You gave everything of yourself to assure that Mom had the very best care in a safe, warm, and loving environment. Your children were right there too, loving, caring and giving of themselves to the Grandmother that meant the world to them. Francis loved all of her children and grandchildren so much; I could feel it and see it in her beautiful eyes when we spoke at your birthday party a couple years ago. I am honored to have met her and am sure that she will be missed by all who have had the pleasure to know her. My sincerest sympathy goes out to you and your family. Love, Janet*

“ Sweet Mim...just saying your name makes me smile. Being here in NJ, surrounded by your children, I feel you here. A big part of you is carried in each one of them. Even in mourning you they are trying to serve all of us. You were so hospitable, taking such care of those around you. I picture you now, being surrounded by Gods beauty, fields of purple lilacs, beauty that words can't express. I love you forever and a day ??

“ Please accept our deepest condolences from the Severs family. Our mother was a dear friend of Frannie's, living at the other end of Fox Run Rd. She was her "Dutchmaid" consultant.

“ Dear Cousins Charlene, Mark, Mike, & James and family,
Your Mom and my Aunt will be missed but never forgotten. I will always remember the days we spent at your home when we were a whole lot younger. Your Mom was always a lot of fun and she always had a smile on her face. She loved us all a lot and she was loved.
Please accept my sincere condolences.
Your cous with love - Geo Savage

“ Mom I sit here in your room...that is now void of the hospital bed...oxygen and any sign you were ill...but those things were also sharing space with your couch filed with fourteen stuffed monkeys...handmade blankets...mismatched pillows and clothes yet to be put away. I hardly fit on the couch but thats ok...because those things made you happy.
I always admired your childlike joy...your simplicity...your giggle. Everything good in me I got from you. As I sit here missing you I try to focus on the fact that you're in paradise...holding real monkeys...running like a child with your new body...happier than the human mind can fathom.

. I don't know what I'm going to do without you... I'll try to picture you feeding the monkeys bananas....and remember you are happy.

Jocelyn said to focus on those things when I walk past your room...instead of thinking of the void I feel...remember you are the happiest ever...and at peace...those things were missing in your last few weeks here...but now are yours for eternity. I will try...but your reality is not my reality...yet. You always told me you don't know what you'd do without me...and I'd answer you'll never have to know. But what I don't know is how to do this without you. You were my constant focus...leaving for work.feeling the pangs...anxious to get back home to make sure you were ok. It's hard to make that shift when I leave the house...there's no need to rush back...that's going to be hard to get used to. I don't know what I'm going to do without you...but I promise I'll try to picture you feeding the monkeys bananas....and remember you are happy. I love you mom. I hope you knew how much.xoxoxo

“ Many memories of Mrs. Savage during my younger years hanging out with Charlene and friends in Pine Acres. It is always sad to when confronted with this phase of our lives, but comfort lies within knowing you have such a wonderful daughter, granddaughter and family, there for you always. How blessed you all are. Peacefully rest with your husband. Your family will be together again some day. XO, Laura Irwin
