“ Too many wonderful memories to count. From growing up with her as a neighbor to adulthood when she became a great friend. She always had a smile, a compliment and an amazing hug for me. She instantly made a room happier and brighter and she made this world a better place for everyone who had the pleasure of meeting her. I'm so thankful to have had her in my life.

I am glad you're not suffering anymore Fran, you were a very compassionate and caring loving ,peaceful, woman, and taught us a few memorable things as our older cousin. I'm glad to have worked at your company, although for a short time, it was fun. And I'm also glad Donna, myself and you had a very nice conversation this past spring. You definitely were a sweetheart! I'm sad we weren't as close as we should've been, over the years, I love you my cousin, and rest in peace now , we'll see eachother again❤️🙏

“ Wayne I am so sorry. I just spoke with Fran October 11th for about a hour or so. We have been BEST friends since you, Brian, and Jamie were just little kids in elementary. She was wonderful babysitting Renee when she was a baby, and Renee to this day loves her Aunt Fran. Fran and your dad were pleased to be Brian's Godparents. Fran and I became friends when we worked at the Gloucester County Times, she continued to be my best friend for the past 34 years.

Fran always spoke of her love for you, Chrissy, and the pride and joy of her life, Gregory, she's kept me up throughout the years. She was so fortunate to have the three of you.

I have every birthday, Christmas, Easter, Halloween cards she sent every year... We ALWAYS said I love you, and answered, hello best friend.

I cannot express the deep sorrow I have for you and your family..I know my heart is broken. You, Chrissy, and Gregory are in my heart. I have prayed for all of you every night through the years while praying Fran.

“ My sincere condolences for your loss, Fran was such a loving caring sweet person, kind and thoughtful to all who knew her. She was a wonderful wife, sister and awesome cousin to many but her biggest achievement that brought her the most joy in her life was being a mother and a mom mom, she was so very proud of you Wayne and adored Chrissy and her Gregory, her heart. My first encounter with Fran was at a backyard barbecue at her home, she welcomed me with opened arms and treated me like family, I knew from that day we'd be great friends. We shared many fun times, lots of laughter and held each other up through times of sorrow. Fran brightened every room she entered and lightened the hearts of many. She'll be very sadly missed but never forgotten, her memory will live on in the hearts of many. I'm heart broken this wonderful soul was taken too soon yet I take comfort knowing she's no longer suffering and she's with Big Wayne and the many loved ones who sadly passed before her. I love you Fran, my sister and now my guardian Angel, with all my heart, I'll see you on the other side one day💔💔
