“ Uncle Frank was truly a great man that will be deeply missed. Luckily he was a great human being with an awesome sense of humor his memories will live forever. From growing up and laughing at his jokes (even though he knew I didn't get most of them) to seeing him at practically every yard sale I've gone to he will be remembered. He was truly one of a kind. I send my love and prayers to anyone who has ever been blessed to have ever known this man. You will be forever missed. I love you always. ❤️

“ Dear Casey Family...
Your dad was an icon of our childhood on Bentley Rd, later to be continued on Linden Ave. He could make ANYONE laugh and the hearing his name brings a smile to my face. I al glad he is back with Frankie. His life should be celebrated but his physical absence will be missed, but his memory will live on in each of his kids & grandkids and so on. Know my heart goes out to each of you. To coin a phrase of his.... Frankie's "main squeeze". Still makes me laugh...we were 11 & 12! Rest Easy Mr Casey

“ Dear Mrs. Casey and Family,

I am at a loss for words and can only tell you how sad it was for all of us at the 6:45 a.m. Mass at St. Patrick's Church when we heard of the illness and then the passing of Frank. Frank was such a lovely person with true Faith and Love. Frank always had a great big smile on his face when he would come to the 6:45 a.m. Mass and was always so spiritual and giving. Many times he would bring in donuts or cakes for one/all of us to share with our family or to give to a little one in one of our families. I remember when he had the Children's 1st Missals; Frank came in with the Missals and handed them out to all of us to give to our children or grandchildren and he shared with the Priest to give to children they knew as well. The same with the "pin" that he has on in the picture posted to this website, Frank came in and handed out all of the extras that he had. Frank was such a giving person.

There are so many very happy memories we (Frank's Morning Mass Family), have to remember Frank. Frank was someone who truly "Walked the Walk and Talked the Talk" when it comes to being faithful to our Lord and spreading the "good news" of our Lord. Frank was a true example of all of us to follow, a great Mentor, a Disciple.

I know I can speak for all of us at the 6:45 a.m. Mass and I am sure for all who knew Frank, Frank was one of the very best people you will ever meet here on earth. Frank loved his wife Marlene. When he spoke of Marlene, he always called her his "Angel". Frank loved his children and grandchildren also, without limits. I remember when he came to Mass after one of his grandchildren was on one of the TV Shows that had funny videos; Frank could not but help himself from beaming when he spoke of his grand-daughter, for that matter, when he spoke of any of his family members and especially Marlene, his light shined even greater than on a normal day, and that light was so very bright.

I can only imagine the loss to his family and as one of his friends from Church, I can tell you he will truly be missed and there is now a great void in all of our hearts.

My heart felt condolences go out to Marlene Casey, their children and grandchildren and all of his family extended members and friends. A true loss to us all!

If there is any consolation, please know he now rests in peace and I know had a direct flight right to Heaven, as he was one of the very best people I have ever known, and I believe I know many, but Frank was at the very top!

God bless you all. I hope all of the Tributes you receive and all of the condolences help ease the pain you all are suffering with his loss, by knowing it was not just you who knew how wonderful he was, but everyone he ever touched, even strangers on the street. Frank had that affect on us all.

Thank you Frank for all of your goodness here on earth!! I know you rest easy now. I will talk with you in prayer, as you are an "Angel" in Heaven now, no longer the "Angel" on earth.

*Always in Christ,
Maria Cardella*
