“ Well Fran, there isn't anything to say that would make our loss of you any less hurtful than it is. All that makes your leaving in any way acceptable is that we know that you and Bert are together for eternity. Oh, and of course we know you're also with the "Big Five". To Joe and Maria, I'm so sorry for your tremendous loss of this great man. God bless you in your time of sorrow. With all my love, Annie Standish.

“ I was truly caught off guard when going to “share a memory” only to see Fran’s picture right next to hers and after dealing with the utter shock that the unexpected tends to cause please know...  
My thoughts, prayers, and sympathies are with you all during your time of struggle and heartache. Fran was one of those quiet people that you just never knew what was on his mind & this wasn’t a bad thing because it made for many moments of pure pleasure and unexpected joy when his “plan” played out giving us some pretty great moments to remember! Cherish each other & know you are loved (not necessarily by me but I know people... LoL! I’m sorry, all I can say is humor is my protector from pain so forgive my sense of self preservation and mayB enjoy a giggle or two if you can because it really is good medicine!).  
Again I am sorry for your loss but know you are never alone & you have whatever support you need that I am able to provide, you only have to ask so don’t hesitate.  
Always your friend
