“ *Hey Frank, no regrets as we did it all....Fire Fighting, Law Enforcement, Boating endless hours on the Delaware and the Cove...we were more like Brothers than friends. The New Years Eve parties at W.H.F.D., Blavet and Motown....crawling through more smoke and fire than the devil could throw at us and surviving. You made the transition into that new Engine Company where I know your watching us and smiling. Already miss you Bro. See you again, safe my locker! We never will beat that 27 minute ride from Pat's to A.C..
