“ Frank is one of the most kindness compassionate and generous person that I've ever known I first met Frank through the free Spirits Christian singles dance in 2006 he has been a good friend I took me to both me and my husband I enjoyed our long talks especially when I was going through my own health problems I'm glad to see that Frank got to see a Eagles Super Bowl championship in his lifetime and I'm wearing my Eagles Super Bowl champions t-shirt and the Phillies 2008 World Series champion t-shirts in honor of you today Frank you will be missed. My condolence is to the Clayton and Poole families Eternal rest Grant unto him O Lord may he rest in peace

Love

“ I just wanted everyone to know what a great guy Frank was and that he'll be greatly missed. Frank and I played softball together as well as bowled together for many years. My sincerest condolences go out to the Clayton family as well as all his friends. Frank can now bowl that elusive 300 game in heaven. He can also pitch his second perfect game with the angels above. May God bless you and keep you near Him. I would like to part with this closing thought-Long Live "Ozzie Chrome"!!!!(inside joke). Rest in Peace my friend.

“ If my mom had not been a part of the singles club where she met Frankie, and introduced her to his step brother, Mike Poole, I would never had come into existence! My mom would always tell me that story. She loved Frankie and they had good times together. We enjoyed good times as a family too. I'd like to think they are happy to see each other again in heaven. He was always a pleasant person to be around and will be missed.

“ Franks was a part-time DJ at Schooners Inn / Gallagher's Pub in Woodbury Hts back in the 80's. He would fill in for DJ Bruce and always had a smile on his face. He will be missed, but remembered as a kind man. GJ

“ I grew up with Frankie Clayton living right across the street on Ford Ave. We were the same age and went to grammar and high school together. He was one the kindest and nicest friend to everyone in his life. And a damn good DJ. Whenever I think of him I always smile. God rest his soul. Mike Shiomos
