“ to all my family and friends. Finally just had a chance to write about a loved one who recently passed away! he was my uncle frank. this man was very dear to me and a very goodhearted person. all who knew him would surely agree! there are no words to describe how my heart aches for the loss of my uncle except I will miss him terribly! from the time I can remember uncle frank along with my dad would take us boys everywhere with them teaching us all kinds of fun stuff together, and lived it up we sure did together! I remember all the good times we had together and will never forget him, ever! I'm sitting hear crying once again missing him, but I know he wouldn't want that out of me! so as for me I will remember my uncle frank for all the goodness and fun he shared with me and all the laughter we shared together. - for all my relatives and his family I say please honor uncle frank for the life he had with us all and please remember how much love he showed to each of us! He is now resting and his suffering is over, and someday we shall meet uncle frank again in Heaven. for any of my cousins(his kids) who need anything at all please don't hesitate to contact me! my love for you all and your temporary loss of your dad. May GOD please comfort you all through all of your heartaches! love always-BUB

“ Lene my heart goes out to you and your family. Your Dad was such a good man! I remember he showed me the best way to cut pizza with cooking scissors. I have at least 5 pairs because of him & everytime a kid is amazed that I'm cutting their pizza with scissors I think of your Dad & always will ❤️😭

“ Uncle Frank & Aunt Terry.....

*I could never forget you guys and the kids! We grew up together as kids, what fun memories we have, wow, soooooo many good ones, some not so good, lol. I just always remember all of us being together having fun get togethers often. Every Sunday at Termini's in line waiting for those awesome cakes and rolls.....We were all so lucky to have such good parents! I remember on the weekends sleeping over and all of us running to the freezer to get ice cream after you left to pick up aunt terry, lmao! Us all dancing down the basement , Donna Summers, KC and the sunshine band and more.....Then trips up to PA, ughhhhhhhhhh wow, how about those days uncle frankie, lol, How about Mountain Mary and Louie and family, they were truly such fun ass people, the times we had there, I will never forget almost peeing myself laughing at our moms and what they use to do , Mary was the Leader, always!!!! Then the floods, ughhhhhhh we had to brake into Rickies place becuase all of ours were unable to get too! Mary and Louies barn was floating with cows in it, wow, unbelievable that was! Then there was The wilcox and Pat and Charlie, they were all really nice to us cause we had you guys as parents! In all, I am Proud to have you as my Uncle, I am sorry in life we drifted apart for a while, but that never meant we didn't love you and aunt terry/family! Do me a favor, hug grandmom, my mommie, daddy and the whole damn gang up there and please always remember, We will all always keep you & your memories close to our hearts no matter where life brings us, until we all meet again! RIP Uncle Frankie.....Now you and Dad can carry on with all your hunting stories and childhood stories with your parents! Again, Thanks for all the ice cream,b;uttered Rolls, pasta, brocolli Rabe and all your awesome cooking! lol. hugs always

“ So many memories of Mr P. Since I was 8 years old, I was at the house often with Arlene. I was a chubby kid. No matter what he would say "Michele. Your too thin. Come eat some pepperoni bread". As adult I joked with him that he was getting shorter by the second. He always laughed. Such a caring loving man. He will be missed ! RIP. Praying for Piccioni family !
