“ *Frank will be missed in many ways. I look around my house and remember all the wise cracks and comments he made about my place. He has left his mark here from fishing boxes to knick knacks. We will never forget our good friend Frank. Love Caroline and Bob Mink*

“ *I have many happy memories of Frankie from my childhood. I remember he and Joey made a really great snow fort in the backyard that we had such fun sledding down and hiding in. I remember we had a blizzard and he took my stuffed animal and threw it in a big heap of snow, I couldn't get to it for days. He was always alot of fun. Then there was the Go cart that he and Joey used to let me drive, the time at Mischief Night when we were throwing dummies in the street and the Paddy Wagon threatened to take us away! I'll always remember him and the happy times of our childhood. I am so sorry for your loss. Love Terry*
