“ *It was my honor and pleasure to know and spend many Masonic years together. We spend many years traveling around the 21st district and the State. And you were in my Wedding, Frank was and open and honest and funny friend. We sure did enjoy those conventions. I just wanted to say something. May you RIP.*

“ Frank had a big heart, He could be very ornery at times, but behind it all was a guy who cared about others. I remember him as a man who had a great smile and who had a distinct style of humor! If you wanted Frank’s respect you needed to earn it, he didn’t hand it out loosely! I knew him from Church and through friends! His Alzheimer’s took him away from a great number of people myself included! I will see him again in place where we will all be rejoicing freely all the time!

“ Frank always had a smile and a good nature. He seemed to be the first one to help out in times of need and trouble and was always there for his family and friends. I'll remember Frank for his orneriness and love of life. To say he will be missed is an understatement, but know that he will always be thought of with love and affection by his family and friends.  
Finally at rest
