“ To the whole family, We are so very sorry that we cannot be there in person, but we are there in spirit. Gpa was a great man, and a wonderful grandfather and great grandfather to Ernie and our children Zack and Gianna. He will be greatly missed by all. A memory that sticks out to me a out gianna is, when we were over to the house. Gianna was getting tired and was fussy and started throwing a hissy fit. Gpa picked her up in his arms and spoke to her with his eyes big and voice stern, telling her listen and be good. Giannas eyes got big and her head looked down. And she sat there in timeout where he put her, until she apologized to him. With that said Rest In Peace Gpa, and enjoy being with gma. We love you and will dearly miss you. Love, Ernie, Jenn, Gianna, And Zack

“ Dear Cheryl and your family,
We were saddened to see the notice of Fred's death in the paper today. We worked with him for many years at UMH and he was always a gentleman. No job was too small nor too big for him to do, and he took genuine pride in his work.
We are remembering you with our thoughts and prayers at this time.
Sincerely,
Jim and Beth McFarland
