“ I met Fred at the Alpine Lounge years ago while out having a karaoke night! He was such a nice guy! He was a pretty good singer too! Then, to my surprise he became a patient in the medical office I worked in years later. Although it has been many years now since I last saw him, I will remember him fondly. Sending loving prayers to his family as they process this loss.

“ Graduated with fred kept in touch and always would buy my cars off of him. Took him out to a few games and we would talk about every other week. Going to miss those crazy conversations.
