“ Glenn, Gayle, and Gregg. I am very sorry for your loss. Your Dad was a very kind man, and I feel that I am a better person for knowing him. I have good memories of him as my Little League baseball coach and have enjoyed seeing him of and on over the years.

“ Glenn, Greg & Gayle, Nothing can be said or done to ease your pain, just know in your hearts that we are here for you. Your Dad had a helping hand in who you are today. The memories you have will last forever. They say when someone or something dies, it stops shining suddenly. Lets those memories keep shining in your heart. We Love You. Steve & MaryBeth

“ To Glenn Gayle and Nan, our hearts go out for you, losing a loved one so suddenly is hard to understand. The good lord has taken him into his heart and now he's with his father and the suffering he was bearing is no longer. I always enjoyed talking to him and I will miss him. I know he's watching over you all and now its with a smile. God bless you. Love you, Dom and Lou
