“ No words can ever express the loss of a child, family member, friend or loved one. I am so very sorry for the loss of Gary. I went to GCHS with him and remember him and his wonderful attitude and huge smile. I had a great time when I was with him and his best friend Hiram.
May his family and friends find the love, support and peace that they need to get through a very difficult time, and at the same time celebrate, cherish and remember the great times he did have here with us all.

“ Gary, We(Denise & Baby Johnny) will miss you very very much. It seemed just like yesterday we were working at Cooper Hospital together. I still cannot believe that you are gone. I will always enjoy the great times we spent together whether it be dirt bike riding, my 30th birthday party or best of all fishing at the Jersey Shore with you and my dad. Well you and him are together now and I hope that you run into him up there. I know that he always enjoyed your company on the boat. Our thoughts go out to you and your family. Rest in peace my friend.

“ Gary I am still in shock. You were taken from us way too soon. I have soo many fond memories. My favorite is our ski trip to Vermont. We had soo much fun!!! Your encouragement(ok you yelled at me) to do the moguls I have never forgotten! I loved our talks at Michele's and reminiscing of our great times together. You always made me laugh. It was never a boring time when you were there. Always having a funny story to tell... You were such a great Dad to your children!! I loved how you took Gabby to get her nails done. The girly things that most dads wouldn't do. You are one of a kind and can never be replaced. There is now a void in all of us! I hope in your memory we can have your spirit live on. Gar your children, family and friends love you and miss you very much

“ My deepest sympathy goes out to Gary's Family, his children, Michele and his sisters, family and friends. I remember Gary from along time ago, he was my daughter's friend and a good friend at that, she would talk about Gary and all of her friends that all hung around together. What I remember is that Gary was a good kid, very respectful and alot of fun to be around, he was definately to young to pass, I know that he will be miss by alot of people, but just remember all the good times that you had and that he will continue to be in all of your hearts, he will also be watching over all of you, and with that thought I hope that this will comfort you for today and forever.

“ My deepest sympathy. To lose a loved one at such a young age surely adds to your grief. You are not left without hope. John 5:28-29, Acts 24:15 and Isaiah 26:19. Take comfort in one another and in your good memories. Allow those who love you to help you get through the difficult times ahead.
