“ *When we (McCullough) kids were growing up, Gary & Joanne were such a huge part of our lives!!! My mom was one of their interpreters, but also a dear friend. I have so many, many happy memories of Gary & Joanne at our house or of us kids sleeping over their place. We just loved spending time with them, and a Gary was always so funny! He would joke about my sister, and call her Miss Piggy, and we would all laugh our heads off! I am happy Joanne & Gary are now reunited, and both can now hear clearly. It is a happy time for them, but sad for those of us who will miss them down here.*

“ God blessed my life by allowing me to meet and become friends with Gary and his wonderful wife Joanne back in 1980's. I was new learning sign language and very slow. They were always full of love and encouragement for me. Truly, Gary & Joanne did shine for Jesus! Now Gary is in heaven with Jesus & Joanne, no more pain, no more tears. God Bless and comfort the family.
Much Love,
