“ *Our condolences to you and your entire family please know that you are in our thoughts and prayers.*

I remember your mother being very nice to me when we were kids, I spent the night at your home and she took us to the mall, we had a good time. It's the good times that you have to hold on to help get you through this hard time. She lives on through your heart and the beautiful memories you carry of her.

Sincerely, Analisa and Ken Loder
