“ Being a teacher for the Deptford Township Schools, I had the privilege of working alongside Officer George Johnson in so many capacities that I thought him to be just another colleague in the school system. He, along with so many of the other fine Deptford police officers, was always in attendance at football games, basketball games, proms, graduation ceremonies, homecoming, rallies, along with his regular assigned duties, etc. The Deptford Police Force was always there to assist in any way possible and the school community felt it. You could count on Officer Johnson for his professionalism, compassion, care, ability dealing with youth, and devotion to his job and family. It was honor to know him! I’m sure his fellow law enforcement brothers and sisters will say the same! May Peace be with you, Officer George Johnson!

“ My heart goes out to the family. I had the pleasure of working with George at the Deptford Police Department for 17 1/2 years. Any time he would go into the Records Unit, he always had a smile and always took the time to talk to us. He had the most energetic and enthusiastic personality of anyone I know. To this date, any event that he would see my husband and I at, he would make it a point to come over and see us. I was so sad to hear of his passing, and I will truly miss him! Heaven is getting a good one!! May God bless you and your loved ones! Rest in peace!

“ I was so sad when I heard the news that George passed away. He was a very special person. I've known him for a very, very long time. Every time I saw him he'd make sure I got a great big hug and a kiss. When my mom passed away a few years ago, he came to her memorial service. That really meant a lot to me. He's always going to have a special place in my heart. He's going to be extremely missed.
