“ To the Miller family. As we go through are lives certain people come and go in your life. Roy was one he was one of my best friends when we were kids and till the day he left us. I will miss him and his stories. We were fishing hunting and trapping partners when we young. Had many great adventures with Roy. With my deepest condolences. C Wetzel from Alabama

“ Dear Family of Roy,

Please accept our condolences on the passing of Roy.

Roy was a good friend and classmate of ours (Deptford High Class of '66) who we later counted on to keep us warm during the early years of our married life while living in Deptford! As often happens as time goes by, we haven't talked to Roy in many years, but his friendship and help will always be remembered.

Although there is now much sadness, it is certain, in time, that the many wonderful memories you have of Roy will once again bring a twinkle to your eye, and a smile to your lips, every time you think of him.

With sympathy,

Bryant & Kathleen Heisinger
