“ *So sorry to just read of Jerri's passing in November and that we missed her service. We have known Jerri for many many years, and had bought and sold a few houses with her. Wondered why we had not gotten her annual magnetic calendar, and now, unfortunately, I see why. Joe and I are deeply saddened to lose another long-time friend. Condolences to the family.*

Jerri was a "whirlwind woman"...she had one speed, fast! Jerri was a kind, sweet, gentle woman who loved her family most deeply. I will miss you.

Aunt Jerri, We laid you to rest two days ago and it still doesn't seem real. Your physical passing left a hole in our hearts that will now be filled by years of memories. I will always cherish the time spent with you and Uncle Ron. The Spring Training trips, visits to Disney, an endless bus ride back to the hotel and trying to go up in the elevator from the top floor. The laughs from Senor VP, betting on the horse whose jockey was named Jesus and who will ever forget the crabbing trip in Stone Harbor and what it did to your fresh hair do...oh my god I cant believe it! You were as close to a mother as an Aunt could be. I just wish I had gotten one more chance to tell you how much you meant to me, Lori, Robbie and Connor. We will miss you so much but know you will always be with us. Love you! Bobby, Lori and the boys.
